

The Orchards Federation

# SEND Stay & Play

SEND (Special Educational Needs Disability) Stay & Play sessions give parents, carers and their children the opportunity to meet other families and get information about the services and advice available within Bolton.

The sessions are delivered by education professionals from The Orchards Federation and various agencies will be invited along to share information and offer advice.

These meetings are held every Thursday during term time from 1.30pm – 3.30pm. Sessions are held at children's centres, the timetable is overleaf.

For more information please email me or ring:
